

thankyou

The Lake Park Park & Recreation Board would like to thank Harvey Olson and his company, 5-Star Roofing, for volunteering their labor to roof the Knox Cabin in the City Park and to CEA for the donation of the shake shingles to finish the roof project.

We, also, want to recognize Doug Brandt for his generous gift in memory of his Dad, Emery Brandt, to relocate and install 2 new horseshoe pits near the shelter house.

Thank you to Joan Miller Hoyer and Merel Clark for the donations for benches in the playground area of the city park in memory of Dr. Jack Miller and Jan Clark.

A big thank you goes to Diamond Concrete for the use of their stump grinder, Jaycox Implement for the use of a skid loader and telehandler, and to Dennis Puhrman for grinding 23 tree stumps and for the tree trimming at the campground.

Thank you also to Brad & Fran Graham for their monetary donation.

We want to recognize Larry Rusch, head maintenance man, for his many years of service to the Park & Recreation department. Your expertise and willingness to do more than what we requested is both recognized and appreciated. We will miss you and wish you well on your retirement.

Lake Park is a great community, working together makes us stronger.

City of Lake Park

A great place to spend a vacation.....or a lifetime

THE

NEWS

PUBLIC NOTICE

LP Municipal Utilities periodically has **scheduled** outages; it is important for us to know if you or someone in your household is on oxygen so we may inform you of when these outages are. In case of an **unscheduled** outage your location is important to know as it would become priority area. Please contact Linda at 712-832-3667 to be placed on the list of contacts

MOWING REMINDERS

With summer comes lawn care. The city would like to remind you of 2 ordinances that may be enforced at any time:

- 1—Lawns are not allowed to exceed a height of 10 inches.
- 2—Debris, including grass, is not allowed to be thrown in the street. This debris ends up in the storm sewer system thus causing blockage and flooding. Keep this in mind when you mow.

The enforcement of these ordinances can include fines to the resident.

SWIMMING POOL

The Lake Park Municipal Swimming Pool will be opening soon. Memberships are available:

- Family: \$100.00
- Individual: \$65.00
- Senior Citizen: \$25.00

Registration is also available for swimming lessons. Forms may be picked up at City Hall or at the pool when it opens.

Recycle Days: June 11 & 25
July 9 & 23
August 6 & 20
September 3 & 17

All Strings Attached Symphony

June 6th, 7:00pm

SUMMER FUN

School is out so please keep a watchful eye out for more children out playing and on bicycles.

Both campgrounds are now open for those looking to get away for a weekend and enjoy the great outdoors.

The Silver Lake Country Club is open to the public. New activities have been added this year. Be sure to check it out.

Summer youth activities are in full swing. Stop down and take in a ball game.

Is this the year you take up disc golf? The course is there free to use.

Maybe its fishing that you enjoy, we have that too.

Take some time this summer and get out and enjoy the many opportunities we have available.
