PHARMACY UPDATE **R**

Plans to bring a Pharmacy to Lake Park continue to move forward. The Development Corp. has made the investment for the Pharmacy to locate here. Currently Telepharm is putting together the information needed to present to the La Board of Pharmacy. This is the board that will grant the license for our community. If anyone is interested in writing letters of support to also present to the board please contact Marie at the city office before Oct 16. Once the license is obtained I hope to see activity taking place at the location. Will keep everyone posted.
