

SAFETY TIPS

Snow and ice can damage or block natural gas meters and exhaust vents for appliances. Chimneys and vents on the roof or side of a building must be clear to allow proper venting which prevents equipment malfunction or accumulation of **carbon monoxide**.

Install carbon monoxide alarms and carefully follow the mfg. directions for operation, placement, and maintenance. **Keep your family safe! Get a CO detector installed.**

Do you smell the odor of rotten eggs, hear hissing or whistling sounds around gas appliances or meter? These may be signs of a natural gas leak. Contact your local utilities.

Have you seen me? If not please dig me out of the snow or else I will stop regulating and you will be without heat!

**Thank you!!

WINTER REMINDER

Parking Snow Ban--Between Nov 1st and Mar. 31st no vehicle shall be left standing or parked on City streets between the hours of 2:00am and 6:00am or at any time during the day or night in which snow removal operations are in progress. Fines for 1st offense will be \$25. For all subsequent offenses, the fine will be \$50

It is the responsibility of the property owner to clear the sidewalks on Main Street in a reasonable amount of time. Within **24 hours** would be greatly appreciated

Dumping of Snow-- It is unlawful for any person to throw, push, or place or cause to be thrown, pushed or placed, any ice or snow from private property, sidewalks, or driveways onto the traveled way of a street or alley.

Garbage/recycle containers are to be placed at the curb, not on the street. Once garbage/recycle has been picked up the carts need to be moved back to your house not left at the curb.

Be sure to check if your furnace filter needs replacement. Stop in the Utility office to pick up your replacement filter. Limit 2 per year.
