## TIPS FOR AVOIDING A NUISANCE ABATEMENT/FINE

The city has ordinances that will be strongly enforced in the spring, summer, and fall. Most of these address property maintenances and the simple act of being respectful towards your neighbor. Your home is your biggest asset. Take care of it! Following are a few tips that will keep you from receiving a "notice" from the city.

- ❖ If there is "junk" laying in your yard. Get rid of it.
- ❖ Do you have a **vehicle** that is unlicensed, does not run, or has not moved in 30 days? Either put it in enclosed storage or haul it away.
- ❖ Is it the 1<sup>st</sup> or the 15<sup>th</sup> of the month and your grass is 10" tall? Better consider getting the mower out.
- ❖ While you have the mower out, **DO NOT** throw the grass in the street.
- ❖ Do you have a dog? Better not be in the neighbor's yard or running freely all over town. Could mean a trip to the pound and a \$50 dollar bill.
- ❖ Did your dog poo in someone's yard? Your dog, your poo, clean it up! Oh, and don't forget the constant barking...also your responsibility
- ❖ Have chickens? Your limit is 6 hens and NO roosters. Be sure they wander in the pen, not in yards!
- ❖ Wanting to burn some yard waste? Check the calendar. Even numbered days north of Railroad St and odd numbered days south of Railroad St.
