

Thank You!

The Lake Park Historical Society would like to Thank Blurry Bigfoot Bakery for their donation of cookies for their Trick-or-Treat on Market St.

SAFETY TIPS

Snow and ice can damage or block natural gas meters and exhaust fan vents for appliances. Chimneys and vents on the roof or side of a building must be clear to allow proper venting which prevents equipment malfunction or accumulation of **carbon monoxide**.

Install carbon monoxide alarms and carefully follow the mfg. directions for operation, placement, and maintenance. **Keep your family safe! Get a CO detector installed.**

Do you smell the odor of rotten eggs, hear hissing or whistling sounds around gas appliances or meter? These may be signs of a natural gas leak. Contact LPMU 712-832-3667.

Be sure to keep me clear of snow or else I will stop regulating and you will be without heat.

Thank you!!!!
